

CFA/WSPS Health & Safety Awards

Certificate of Recognition 2019

CFA & WSPS issue this certificate to

Gamma Foundries Inc.

For demonstrating its commitment to health and safety excellence by complying with the requirements of CFA/WSPS's Health & Safety Awards, specifically by achieving total injury frequencies lower than their rate group, having no critical injuries, fatalities, charges or convictions under an OHS Act during 2018, and by continuous improvement of their health and safety program.

Paul Teron
President
Canadian Foundry Association

Lynn Brownell
President & CEO
Workplace Safety & Prevention Services
